Here are some fun facts about April:

- The month of April is named after the Greek goddess of love, Aphrodite.
- The name April comes from the Latin word aperio, which means "to open [bud]".
- April is the month when trees and flowers begin to "open".
- Small animals that hibernate usually come out of their burrows in April.
- April is known for its beautiful spring weather, and the start of warmer weather.
- April is also known for its unpredictable weather, with the saying "April showers bring May flowers" reflecting the rainy and often changing climate during this time of year.
- April 1 is All Fools' Day.
- April 22 is the start of Passover, which begins at sundown.
- April is celebrated as Autism Awareness Month, with April 2 known as Light It Up Blue for Autism Day.
- April has two birth flowers, the daisy and the sweet pea. The daisy stands for innocence, purity, and true love, while the sweet pea is a way to say goodbye, send good wishes, or merely convey a thank you.
- The birthstone for April is the diamond. Diamonds have been perceived as the traditional birthstone for those born in April since the middle-ages. People born during this calendar month are perceived to be caring and successful, achieving everlasting love in their relationships.
